## A MATTER OF BALANCE: MANAGING CONCERNS ABOUT FALLS

Have you turned down a chance to go out with family or friends because you were concerned about falling? Have you cut down on a favorite activity because you might fall? If so, "A Matter of Balance: Managing Concerns About Falls" is a program for you! Fear of falling can be just as dangerous as falling itself. People who develop this fear often limit their activities, which can result in severe physical weakness, making the risk of falling even greater. Many older adults also experience increased isolation and depression when they limit their interactions with family and friends. "A Matter of Balance" can help people improve their quality of life and remain independent. "A Matter of Balance" is designed to reduce the fear of falling and increase activity levels among older adults. Participants learn to set realistic goals to increase activity, change their environment to reduce fall risk factors, and learn simple exercises to increase strength and balance. If the program is unable to be rescheduled, we will offer transfer options or refunds.

SPECIAL RECREATION  
ASSOCIATION

# BUILDING A COMMUNITY WITHOUT LIMITS

## About Us

Since 1976, the Lincolnway Special Recreation Association (LWSRA) has provided recreation services for individuals with disabilities through a cooperative agreement with its seven member park districts: Frankfort, Frankfort Square, Manhattan, Mokena, New Lenox, Peotone and Wilmington Island Park Districts. Participants enjoy active, healthy and more independent lifestyles through a variety of recreational and social opportunities.

## Benefits of Recreation

- ✓ Discover new experiences & interests
- ✓ Build confidence & friendships
- ✓ Socialize in an inclusive setting

## Our services

### Social Programs

Engage with similar-aged peers in a structured but fun-filled social environment. Staff create opportunities to develop skills and try new experiences. Popular programs include dances, bingo, trivia, community trips, adult day program, summer camps and Saturday youth groups.

### Interest-based Programs

Find programs centered around fitness or cultural arts. Try competitive Special Olympics and adapted sports or fitness outlets such as strength & conditioning and introductory sports skills. Enjoy creative arts through cooking, drawing & painting, dancing and more!

### Inclusion

Park Districts welcome participation in all programs by individuals with disabilities and special needs. The district works cooperatively with LWSRA to facilitate successful participation for individuals who request an inclusion aide. Inclusion services give participants the needed support in a typical park district setting.
