Manhattan Park District Summer Day Camps

Welcome to the Manhattan Park District's summer day camp program!

We are so excited you have chosen the Manhattan Park District for your child's summer camp experience! Your child is about to embark on a fun-filled adventure making new friends and learning new skills throughout the summer. Our day camp offers children the opportunity to build character and self-esteem through challenging and rewarding experiences in both small and large group settings. Through the guidance of our caring and well-trained staff members, camp will provide memories that will last your child a lifetime. We are excited to be able to serve the needs of you and your family and are confident that this program will be a fun and memorable recreational experience for your child.

The parent manual is designed to provide you with an overview of our policies and procedures. You will be able to access this manual as well as the weekly schedules for camp at www.manhattanparks.org. Schedules will include detailed information for each week regarding camp plans and field trip schedules. Please read all information carefully and thoroughly.

Please complete and submit all camp forms at the time of registration. For your child's safety, it is important to make sure anyone picking your child up from camp is on the pick-up list. Your child will not be released to anyone that is not on the form unless a note is provided to staff with a signature and date.

Please know that the safety of your child and the quality of our summer camps are of the utmost importance to us. If at any time, you have any questions, concerns or ideas, please feel free to contact me!
